**About Iofina**

Iofina is involved in the exploration and production of both iodine and natural gas with complete vertical integration into the specialty chemical iodine derivatives business. It also provides third party brine stream operators with a turnkey mid-stream fee based solution to extract iodine. The presence of both iodine and natural gas has been discovered on acreages which the Company holds through its wholly owned subsidiary Iofina Natural Gas, Inc. The presence of iodine and natural gas allows the Group to generate dual revenue streams over a single cost structure.

Iofina is traded on the London Stock Exchange's AIM Market under the ticker: IOF [www.iofina.com](http://www.iofina.com)

Wellhead Extraction Technology® and WET® are registered trademarks of Iofina Natural Gas, Inc.
